GUIDE

Hello, I'm Aurélie

Hello, I'm Aurelie, an eco-fashion workshop provider passionate about helping children explore creativity through sustainability. I design hands-on sessions where pupils learn to upcycle, repair and reimagine clothing in fun and accessible ways.

School Workshops

What Children Learn?

- Upcycling techniques
- Creative design skills
- Basic sewing & repair
- Sustainability awareness

Using old clothing and simple textile techniques, children learn **how fashion choices impact the environment** and **how creativity can help reduce waste**.

The sessions encourages **confidence**, **self-expression**, and **practical problem-solving** in a fun, supportive setting.
